

Northwestern University

REQUIRED IMMUNIZATIONS

Kellogg Executive MBA • Evening/Weekend MBA

Students registered for two or more classes are required by Northwestern University and Illinois State Law to submit proof of immunizations. Vaccination dates should be listed in month/day/year format. Please submit copies of immunization records which provides all of the required vaccinations listed below. All records must be submitted in English—a translation by the student with copies of the original records is acceptable.

SPECIAL CIRCUMSTANCES — Students born prior to 1/1/1957 are NOT required to submit immunization records. Measles doses before 1/1/1968 are not accepted. If you have no immunization records, you have the option to complete blood tests to prove immunity to Measles, Mumps and Rubella or be revaccinated. Revaccination is the only option for the Tetanus/Diphtheria/Pertussis requirement and an extension may be granted to complete the three dose series after the deadline, when necessary.

Submit your documentation online to the immunization health portal at https://www-healthy.nuhs.northwestern.edu/login_directory.aspx
